Our Story

Who would have known that what began as a part time high school job would turn out to be my lifelong passion and career. My start in the business was working for one of the pioneers of the New York bagel industry, the late Arthur Goldberg, at the Bagel Fair in Paramus N.J. in 1974. In 1989, using recipes that date to Brooklyn, N.Y. circa 1946, I opened my own family business, Monroe Bagels & Deli in New York State. For 18 years we served legions of loyal customers. We now pursue our mission of providing great food and friendly service in the beautiful town of North Conway, New Hampshire. We thank you for your patronage.
